Whether you're looking to stand out in the marketplace or strengthen your sustainability capabilities, Supplier Plus gives you the tools, recognition, and exposure to do just that.

Supplier Plus Membership

What's included

- Everything in the Standard Supplier Membership
- **25% Discount on e-learning courses including the SMETA 7.0 e-learning course:** All users within your Supplier Plus membership can complete our e-learning courses and the SMETA 7.0 course at a discounted rate.
- Exclusive ESG e-Learning Content: Supplier Plus members will have access to specialised ESG training materials on our eLearning platform. These resources cover essential topics like labour practices, health and safety, wages, working hours, and hazardous conditions. These tailored resources are designed to help you build strong management systems, understand audit requirements, and effectively address common Non-Compliances (NCs).
- **Exclusive Inclusion to Membership Directory:** Supplier Plus members are included in an exclusive Member Directory, increasing your visibility to potential buyers. This means Buyer members will be able to access a list of Supplier Plus members, filterable by criteria such as country, industry and activity
- **Supplier Plus Badge & Certificate:** Showcase your commitment to sustainability with a verified digital badge and official certificate—ideal for tenders, marketing, and stakeholder engagement.

Pricing details

- Supplier Plus membership costs £150 per site per year, on top of the standard Supplier Membership fee of £195 per site per year.
